## StoneBridge

**\$525,000**

- 2,977 square feet
- 2½ baths
- 3 bedrooms
- Media room

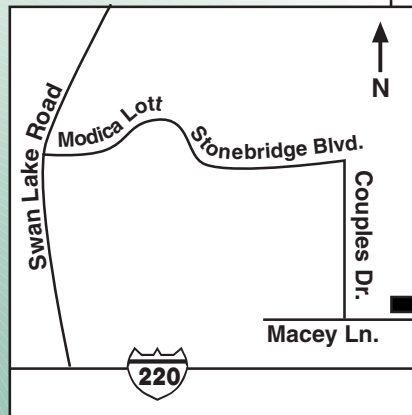

All the special touches and unsurpassed details are evident in this Mediterranean style home.

Upon entering this luxurious home through the 8 ft. wrought iron door, you are greeted with exquisite custom faux finishes, stunning ceiling treatments and travertine stone flooring. You can imagine yourself escaping the pressures of this world and cooking in your own outdoor gourmet kitchen while resting in the privacy of your very own beautiful veranda. The illuminated 6 cm onyx stone resting on a wrought iron vanity in the guest bath is another example of the one-of-a-kind attention to detail offered by the Estess Construction.

The home is located on the 11th green in the exclusive Stonebridge community, only minutes from I-220 and shopping. An excellent school district with the newest elementary school makes this an ideal location to raise a family. This amazing home is sure to be appreciated by all who enter. Estess Construction.. building your dream home today.
