

416 Dogwood South Lane

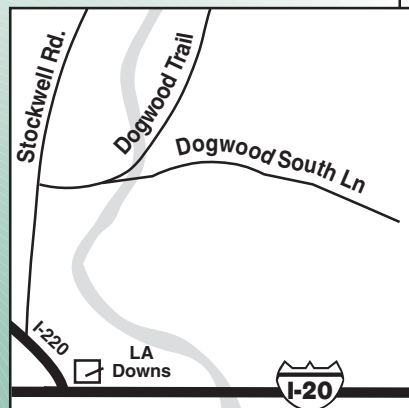

Dogwood South

- 3,282 square feet
- 4 bedrooms
- 2,274 sq. ft. living area
- 2 baths

This elegant Louisiana French style home is located on a beautiful wooded lot in one of our premier gated communities. The interior is designed with a spacious open floor plan which is enhanced by high ceilings, large trim, arched openings and a beautiful mahogany wood front door. The kitchen features granite countertops, stainless appliances, stained cabinets, and a walk-in pantry. The remote master suite features a spectacular wedding cake ceiling, huge closet with built-ins, garden whirlpool tub, separate shower, stained cabinets with granite countertops and knee space. The house has a large future bonus room roughed in already. The home and the neighborhood are loaded with amenities to enhance your lifestyle.
