

# 162 Joe Mac Private Drive

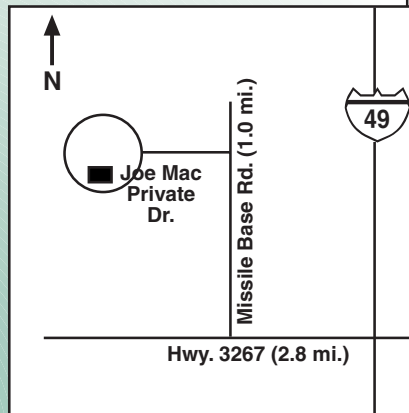

## The Settlement

\$289,900

- 3,258 square feet
- 4 bedrooms
- 2,305 sq. ft. living area
- 3 baths

Elegance, Beauty, and Seclusion are only a few words that can describe this home by Settlement Construction, LLC. Afford yourself a home with all the amenities of the city but with the relaxing atmosphere of the country. This detailed home provides living space for all members of the family by providing four remote bedrooms with three distinct bathrooms. The kitchen, complete with granite countertops, stained cabinets and stainless steel appliances compliments the formal dining room and the casual breakfast area. The remote Master Bedroom and Bath provide an adult retreat from the stress of a long day. A spacious utility room and two areas in the garage provide ample storage.

- Spacious one-half acre lot completely landscaped with irrigation system
- Formal dining room and entry with Antique wood floors
- Chef's kitchen with GE stainless steel appliances
- Remote Master Suite with large private bath and walk-in closet
- Interior antique brick arches separating the breakfast area and living room
- Custom lighting and installed security system
